## Criterion 1.4.1

**Feedback Analysis and Action Taken Report on Curriculum by Stakeholders**

### **Feedback Mechanism:**

The feedback mechanism plays very significant role in the evaluation and improvement of existing curriculum. It helps to monitor the curriculum to know its strength and weakness.

K. M. Agrawal College implements the feedback mechanism and strategies to enhance the teaching learning process. As per the guidelines and suggestions from Academic Audit Team and decision made in IQAC meeting, the college has decided to collect the feedback on curriculum from various stakeholders for the academic year 2022-23. The IQAC has formed the feedback mechanism committee for framing the feedback form and evaluate the feedback analysis report in consultation with the college management, principal and head/senior of the departments.

The College has collected online feedback on curriculum from four stakeholders namely – **Students, Teachers, Alumni and Employers**. Every year the College analyzes the feedback on curriculum. College Management, Principal, IQAC and every Department gave valuable suggestions and accordingly the necessary action has taken to enrich the teaching learning process. The College has also collected online feedback on administration and infrastructure, learning resources and other facilities to enhance teaching and learning process.

## Suggestions:

IQAC conducted meetings with HOD's/Senior Most Persons and discussed the Student's feedback report on curriculum. The feedback monitoring system helps the subject teacher to identify the strength and weaknesses of present curriculum. As per the requirement, the College Management, Principal and Head of the Department/Senior most teacher have recommended the suggestions.

### Suggestions:

- ❖ The department should discuss the student's perspective on present curriculum with the member of Board of Studies.
- ❖ The subject teacher should attend the workshop on syllabus and hands-on practical sessions.
- ❖ The subject teacher should attend the training programs like Short Term Courses, Refresher and Orientation Courses etc. to get acquainted with innovative teaching learning methods and strategies.
- ❖ The department should conduct the workshop on Revised Syllabus.
- ❖ The department should organize National/International Seminar/Conference on Syllabus oriented topics.
- ❖ The subject teacher should give the adequate guidance by mentoring students regarding curriculum as well as career oriented counseling.
- ❖ The department should organize more the Co-Curricular Activities.
- ❖ All subject teachers should make use of ICT in teaching learning process to make it more effective.
- ❖ The department should update e-study material on their respective Blogs.
