Perspective Plan

In the year 2022-23 a Perspective Plan was prepared by IQAC for the growth of the Institute. It framed on the basis of feedback of all the stakeholders. The perspective plan has discussed, reviewed in the College Development Committee meeting and further approved by the College Governing Council.

A -Short Term Plans:

- 1) To organize orientation program for entry-level students under IQAC.
- 2) To start University recognized Certificate Courses under the guidance of IQAC.
- 3) To collect Curriculum and General Feedback from various stakeholders with the help of College Feedback Committee and implement these suggestions.
- 4) To strengthen the Student Satisfactory Survey (SSS) in association with IQAC and SSS members.
- 5) To provide more placement opportunities through campus interview by placement cell.
- 6) To focus on increase the number of Research Centre in association with IQAC.
- 7) To conduct Study tour, Field visits; project works seminars, workshops and group discussions and make the education more practical and participative as per requirement of department under the guidance of HOD's and teachers.
- 8) To organize sports and cultural events at University and State level under Sport and Cultural Committees.
- 9) To submit AQAR for the year 2022-23 through College IQAC.
- 10) To participate in NIRF 2023.
- 11) Remedial classes for the academically weak students
- 12) Lectures for advanced and slow learners to increase their academic potential
- 13) To conduct Seminar on NEP-2020 under IQAC and NEP committee of College.

B-Mid Term Plans:

- 1) To increase the number of MOU's for student's enhancement with efforts of committees.
- 2) To increase the students participation in State, National and International sports and cultural activities with the efforts of active role of Sport and Cultural Committees.
- 3) To conduct extension and outreach activities with the support of Extension Committee.
- 4) To promote faculty members for promotion under CAS.
- 5) To initiate foreign language certificate and diploma course.

C- Long Term Plans:

- 1) Expansion of institution with modern facilities to students.
- 2) Collaboration with International Universities for better exposure of our students.
- 3) Optimum utilization of campus infrastructure and resources for the benefit of the society.
- 4) Provision for National level facilities for sports.
- 5) To equip the college with amenities and resources as per the requirement of NEP.
